WHO BUILT BRAINIAC'S CITY?

LEAKED GLOBAL DOCUMENTS RECOVERED

Investigators reviewing classified international archives now believe:

Brainiac's City was not built by a single nation.

Not the result of war.
Not the result of conquest.

IT WAS AN AGREEMENT.

GLOBAL ALLIANCE CONFIRMED

Recovered intelligence suggests cooperation between:

- **S.H.I.E.L.D.**
- **Wakandan** leadership networks
- **HYDRA** shadow operations

All operating under one unified front:

THE UNITED NATIONS

THE DECISION

Documents describe a turning point:

- **conflict**
- **instability**
- **economic imbalance,**
- **environmental collapse**

"The old system could no longer sustain itself"

SO A NEW ONE WAS PROPOSED.

PROJECT: BRAINIAC

Not introduced as control...
BUT AS SOLUTION.

A system designed to:

- **Optimize global infrastructure**
- **Eliminate inefficiencies,**
- **Predict and prevent conflict**
- **Create a "perfectly balanced" civilization.**

THE LOCATION

Not publicly disclosed. Not voted on.

Selected.

"The system chose the ground..."
